Before school, we had a luncheon for the new teachers. A new committee, the coordinating committee, was formed. The purpose of this committee was to limit the activities so that no two would fall on the same date and to keep them far enough apart so that student attendance would be more certain. New stationery was printed for the Student Government by Mr. Dowling's print shop. We took charge of the traffic problem in the halls with the Chief Monitor and his appointed monitors. A welcoming party for the teachers and new students was given the early fall. The annual Homecoming which includes an Alumni banquet, football game, and a dance was held. We sponsored the Cavalcade to Lane. Junior assistants were added to the Cabinet so that they could assist the regular members and be capable of taking the jobs themselves the next year. We sponsored the annual Christmas Welfare Program, and the magazine drive. Student Government will receive the annual sum of \$450 out of this fund. Four representatives and a sponsor attended the State SCA Convention at Longwood College, Farmville, Virginia. The District Music Festival was sponsored by the music department with the aide of Student Government.

### AIMS AND ACCOMPLISHMENTS

The Senior Patrol Group of Fairfax High School, sponsored by the Police Department of Fairfax County, and the American Automobile Association, has for its aim the promotion of safety in the transporting of students to and from school. One of their most important functions is that of aiding students to cross streets safely when leaving the school bus.

Our group has participated in all of the Safety Patrol Parades and has won trophies for floats and slogans for three successive years.

Our Ground Patrols assist the officers stationed in front of the school in controlling traffic, and aiding students across the road.

### AIMS AND ACCOMPLISHMENTS

When the one way traffic system was organized and adopted the aim was to have an efficient system. We believe that is just what we have had this year. The monitor system has not been perfect, however, it has relieved what would have been, extremely congested halls.

### AIMS AND ACCOMPLISHMENTS

The concert Band opened a busy year with performances at each of the home games of the football season. An outstanding event was the trip to Lane High School when the band traveled by commercial bus for the first time. Although rain prevented marching it was a thoroughly successful trip, because the two bands played concerts for each other in the Lane auditorium, and combined to play the two school songs together.

The Band presented the first of its annual Fall Concerts in November.

The disappointment of the first semester was the cancellation of the annual Christmas concert due to inclement weather.

The second semester opened with the Pre-Festival Concert March 28. One week later the Band and the school was host to the District IV Music Festival for the second successive year.

An Honor Band was formed the second semester which consisted of 35 of the outstanding bandsmen. Its first engagement was to provide incidental music for the Senior Play. Plans were made to present concerts at each of the feeder elementary schools.

Following the Spring concerts the band participated in the Vienna and Washington Safety Patrol Parades.

The concerts were brought to an end with the May Concert and the graduation ceremonies.

The instrumentation of the band was increased this year by one Recording Bass, one Oboe, and the possibility of acquiring its first Bassoon was well in view.

# All-State Band Members—1952

The Northern Virginia All-State and was held at Lane High School in Charlottesville, February 8, 9, 10. It is comprised of outstanding students of bands and orchestras in the schools of nineteen of the Northern Virginia Counties. The students pass competitive examinations in the form of auditions within their own schools and must meet the standards set by the Band and Orchestra Directors of Northern Virginia. Upon arrival at the host school they are again auditioned by a panel of judges and placed in one of two bands, and their seating is determined by the results of the audition.

## Choral Music

After several years of working toward a mixed choir this year we have one composed of fifty-five members. In the fall officers were elected and installed in an impressive candlelight service.

Our annual Snow Ball was the highlight of the winter social season and was hailed a big success.

We sang in the Fall Concert and gave a Thanksgiving Assembly. Our Christmas Vespers program was on Sunday, December 16, and was our outstanding presentation of the year. We also sang at the Methodist Church, gave a spring concert and entered the District Festival.

### *Aims and Accomplishments*

This year the sextet of past years grew into a ninette. Early in the year the group made a television appearance. They also sang for the Fall Concert, Thanksgiving and Christmas programs, Fairfax Music Guild, Teacher's Workshop, Spring Concert and the District Festival.

## Choral Music

### *Aims*

Early in the year try-outs were held for this group. Finally six new members were chosen for their ability and interest in ensemble singing. The group participated in the Fall Concert, Christmas Vespers, Assemblies, Spring Concert, District Festival, Teacher's Workshop and a Brotherhood program.

### *Aims and Accomplishments*

This club was organized last fall. Plans were made to meet twice each month on the third Wednesday. A program committee was appointed, the members being Mary Gerwing, Chairman Eugene Adams, and Susan Greene. Meetings were held regularly. The group gave up two meetings because important formal Latin needed work.

Parties were held at Christmas and on the fourteenth of February. The program committee had enlivening and interesting programs that invariably advanced the learning of the class. A picture was made for the FARE FAC SAMPLER.

The main aim was to add to the interest of the class while advancing knowledge of Latin.

### AIMS AND ACCOMPLISHMENTS

In addition to the regular librarians, the library staff is composed of a group of student assistants who show a keen interest in working with books. Through their work they become familiar with the library and are thus fitted to help others to become better acquainted with its facilities. They stimulate reading interest by the arrangement of bulletin board displays, posters, and book reviews. At all times they strive to improve the library, both in appearance and usefulness.

During the year they sponsored a movie, the proceeds of which were used in buying special reference books; they put on a drive to get more books; they gave a tea for the faculty; and they helped to improve the services of the library by their splendid cooperation.

### AIMS AND ACCOMPLISHMENTS

This club was organized early this year for the first time with the purpose of drawing the Student drivers together into a unit which could discuss problems and make suggestions and recommendations more effectively. This aim shows precedence with the aim of understanding more fully the great responsibility that each of the drivers has in the transporting of school children.

A great deal has been accomplished towards the fulfilment of these aims but it is hoped that as the club grows older more visable progress will be made.

are  
these  
“the best  
years of  
your  
life”?

Parents often say they are, but there can be plenty of good times ahead.

Especially if you get a good job, doing interesting, important work with the kind of people you love to work with. Many high school girls find exactly that at the telephone company, after graduation.

So when you finish school, stop in and see us. You'll probably find a job you'll really enjoy at good pay with regular raises.

We, the students and faculty of Fairfax High School, wish to express to the editors, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the effort put forth in making the Seventeenth Volume of our yearbook a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin Studios for their services and cooperation in handling the photography; Mr. Penny and the staff of Brown-Morrison Co. for their efforts in producing this book; all our advertisers who have made our publication a financial success; and all other individuals who have contributed in any way to the successful completion of the 1952 edition of the FARE FAC SAMPLER.
